

A LAST FOR EVERY FOOT, AND EVERY RIDE.

Getting a best fit is far more than simply selecting the correct size. SHIMANO Footwear features a variety of last options designed for the specific ride type to deliver comfort and efficiency.

LAST	DESCRIPTION		A	B	C	WIDTH	MODEL
DYNALAST	DYNALAST is an anatomically curved last that eliminates hard angles and conforms better to the natural contours of the foot. The heel sits deeper in the shoe and the fit is closer to the foot. Fewer gaps – plus a better fit – equals longer, faster, and more comfortable rides.
